

FRANKLIN COVEY **ON** LEADERSHIP

Whole-Person Questions

WHAT THIS TOOL IS FOR—

The more you know about your team members, the more likely you are to unleash the potential contribution they can make.

Use the Whole-Person Questions tool to find out about the talents, interests, and capabilities of each team member. You can help them develop their skills and to improve their capability to get results.

HOW TO USE THIS TOOL—

1. Send an email to your team members with the questions below.
2. Set a meeting with each person to review his or her responses.

Questions

- What have you always loved doing?
- What job-related opportunities are you passionate about?
- What are you really good at?
- What opportunities do you see for growth and development?
- Do you feel you are fairly compensated?
- How can we improve your work environment?
- What would make your work more meaningful to you?
- What contribution would you love to make in your current role?
